

DROWNING DOWN

Lyrics © Pat Smillie

One builds his castles
One man builds a road
Only one man walks the mile
One man mending fences
One man's consequences
He hopes against hope for awhile

I'm drowning
Drowning, Drowning down
I'm drowning
Drowning, Drowning down

Sunday morning music
Seems to flow right through me
Till the tide pulls my body down
Caught up in these daydreams
Time slips right on by me
I'm still hoping she'll come around

Cause, I'm drowning
Oh, Drowning, I'm Drowning, Drowning down
Cause, I'm drowning
Oh, Drowning, I'm Drowning, Drowning down

(solo)

Well, I'm drowning
Lord, I'm Drowning, I'm Drowning, Drowning down
Cause, I'm drowning
Oh, I'm Drowning, I'm Drowning, Drowning down
Well, I'm drowning
Lord, I'm Drowning, I'm Drowning, Drowning down
Cause, I'm drowning
Oh, I'm Drowning, I'm Drowning, Drowning down
