

## **LAST TIME I SAW HIM**

Lyrics © Pat Smillie

Last time I saw him  
Lord, his friends was all around  
Last time I saw him  
Lord, friends was all around  
Everybody was standing up  
Oh, he was just laying down

Last time I saw him  
He was wearing his best clothes  
Last time I saw him  
He was wearing his best clothes  
Everybody was standing up  
Lord, they put him way down in the hole

Oh no, how I hate to see him go  
Oh no, how I hate to see him go

Last time I saw him  
Had to dry the teardrops from my eyes  
Last time I saw him  
Had to dry the teardrops from my eyes  
Everybody was standing up  
Had to dry the teardrops from my eyes, Oh my...

Oh no, how I hate to see him go  
Oh no, how I hate to see him go
