

LET'S MAKE A DATE

Lyrics © Pat Smillie

Let's make a date for later on
Let's spend some time alone
Cause I missed you last night and again this morning
Three, four nights in a row
Let's make a date for later on
Nobody but you and me
We get to kissin' and huggin', carryin' on
Whatever comes naturally

Oh Baby, Let's make a date for later on
I'm coming home after the show
I'm gonna leave the band playin' on the stand
And out the back door I go
Let's make a date for later on
Tomorrow might be too late
We gonna pull back the covers
Help one another
Baby, I can hardly wait

(solo)

Baby, Let's make a date for later on
Spend some time alone
Cause I missed you last night and again this morning
Three, four nights in a row
Let's make a date for later on
Nobody but you and me
We get to kissin' and huggin', carryin' on
Whatever comes naturally

Baby, Let's make a date for later on
I miss you so much it hurts
I wanna make a little date for a little later on
So I can tell you in my own words
Gonna tell you how much I love you
Wanna tell you how sweet you taste
So let's make a date for later on
Tomorrow might be too late

(solo)

Let's make a date for later on
I miss you so much it hurts
I wanna make a little date for a little later on
So I can tell you in my own words
Gonna tell you how much I love you
Wanna tell you how sweet you taste
Baby, let's make a date for later on
Tomorrow might be too late
So, Honey, let's make a date for later on
Tomorrow might be too late
Baby, let's make a date for later on
Tomorrow might be too late
