

# **AIN'T NO DOUBT ABOUT THAT**

*All lyrics © Pat Smillie 2019*

**I been away so long  
It's hard to find the road  
That leads back home  
I been drivin' and cryin'  
I hope you weren't lyin'  
I still got a long way to go**

**I finally got myself together  
Got some money  
Got some brand new clothes  
I knew that I could do it  
I just had to prove it  
I'm ready to come back home**

## **PRE-CHORUS**

**As I make my way back home to you girl  
I'm hoping that you still want me around  
I wonder if you're gonna really love me  
Or, if you gonna put me down?**

## **CHORUS**

**When my baby says she loves me  
(You know there ain't no doubt about that)  
She makes me feel like she really needs me  
(You know there ain't no doubt about that)  
She got a love that remains unequalled  
She got a love that's one of a kind  
She got a sweet disposition  
She got a love that blows my mind**

**Ain't No Doubt About that - No- No  
Ain't No Doubt About that**

**I pulled into town last night  
I spent the night before  
in Kalamazoo  
I been biding my time  
Riding the line  
Tryin' to get back to you**

**Remember, the promise  
You made me  
You swore you would  
Always be true  
Hopin' you mean it  
Better believe it  
Baby, I'm counting on you**

**PRE-CHORUS**

**As I make my way back home to you girl  
I'm hoping that you still want me around  
I wonder if you're gonna really love me  
Or, if you gonna put me down?**

## **CHORUS**

**When my baby says she loves me  
(You know there ain't no doubt about that)  
She makes me feel like she really needs me  
(You know there ain't no doubt about that)  
She got a love that remains unequalled  
She got a love that's one of a kind  
She got a sweet disposition  
She got a love that blows my mind**

**Ain't No Doubt About that - No- No  
Ain't No Doubt About that - No - No**

**(PIANO SOLO)**

## **CHORUS**

**Cause when my baby says she loves me  
(You know there ain't no doubt about that)  
She makes me feel like she really needs me  
(You know there ain't no doubt about that)  
She got a love that remains unequalled  
She got a love that's one of a kind  
She got a sweet disposition  
She got a love that just blows my mind...**

**Ain't No Doubt About that - No - No**  
**Ain't No Doubt About that - No - No**  
**Ain't No Doubt About that - No - No**  
**Ain't No Doubt About that - No - No**
