

RAY CHARLES RECORDS

All lyrics © Pat Smillie 2019

**I found your Ray Charles records
Underneath the stairs
So I sat down and played every one
And I thought back to how
We used to be
Before we just fell out of love**

**I found my old wedding ring
In a jar of loose change
I broke down and gave you a call
But if you saw the man
Who had just rang your phone
You would not recognize me at all**

CHORUS

**This is not my finest hour
This ain't part of the plan
And if I could've loved you
Like you loved me
I would not be the man that I am**

(GUITAR SOLO)

BRIDGE

**As you live you just learn
That some folks change
And some folks are just
A waste of your time
So please don't you feel
That I've wasted yours
Cause, girl, you could
Never waste mine**

CHORUS

**This is not my finest hour
This ain't part of the plan
And if I could've loved you
Like you loved me
I would not be the man that I am
I would NOT be the man that I am...**
