

HEART IN A HEADLOCK (Smillie / Ford)

**Down for the count
Since she put me out
It's hard to trust another lover
Rollin' the dice
Against my lawyer's advice
Writin' checks, I know I can't cover**

PRE-CHORUS

**I tried my best to carry on
I wrote another girl another song
But since she's gone
It's all been wrong....**

2x SHE'S GOT MY HEART IN A HEADLOCK

**Deep in my dreams
I hear her callin' to me
I can't get her out of my head
When it's over and done
You know she's still the one
Even though she's not the one in my bed**

PRE-CHORUS

2x SHE'S GOT MY HEART IN A HEADLOCK

BRIDGE

**Walking 'round blind
Just wastin' my time
Every time I try to make a new start
It seems clear to me
There's no way to break free
From the hold she still has on my heart**

PRE-CHORUS

4x SHE'S GOT MY HEART IN A HEADLOCK

**** BREAK-DOWN - BUILD-UP ****

OUTRO

4x HEART...(HEART IN A HEADLOCK)
