

## LAST CHANCE (Smillie / Ford)

TONITES YOUR LAST CHANCE  
TO FALL BACK IN LOVE WITH ME  
A ONCE IN A LIFETIME OPPORTUNITY  
WHEN WE WAKE UP TOMORROW  
I'M GONNA SET YOU FREE  
TONITES YOUR LAST CHANCE  
TO FALL BACK IN LOVE WITH ME

For 5 long weeks  
It's been comin' to a head  
I've been sleepin' on the sofa  
More than our bed  
Whatever has come between us  
Whatever this means  
I can't keep loving you  
If you don't love me

## CHORUS

All though the years...  
Our love used to be strong  
Now, the love of my life  
Is just a line in my song  
Whatever has come between us  
Whatever this means  
I can't keep loving you  
If you don't love me

### **CHORUS**

Call me a fool  
Tell me our love was a lie  
I can't stand to watch  
A good thing die  
Whatever has come between us  
Whatever this means  
I can't keep loving you  
If you don't love me

### **BRIDGE**

**CHORUS (w/ breakdown)**
