

## **SOMETHING ON MY HEART (Smillie / Ford)**

### **CHORUS**

**SWEET SOUL SISTER SHARE YOUR SONG WITH ME  
I NEED YOUR HEAVENLY HARMONY PART  
CAUSE, YOU GOT ME SINGIN'  
I GOT SOMETHING ON MY HEART**

**People come into your life for a reason  
Lovers leave in their own sweet time  
People can change from season to season  
A faithful heart is hard to find...**

### **CHORUS**

**Constellations fly through the moonlight  
They sail on from sky to sky  
The break of dawn brings on the sunlight  
I just can't get her off of my mind...**

### **CHORUS**

**BRIDGE**

Heartache can be a tender teacher  
Caught between the moon and the sun  
It took so long, just for me to reach her  
It's hard to catch a heart on the run
